### Myopic Expectation

It's at this time of year that our children are asking for every new toy they see on the TV. As discerning adults we know the castle that lights up, shoots arrows and transforms into a fire spouting dragon will just be a frustrating lump of plastic once we get it home, with batteries that give up after three minutes. Our children's expectations are unrealistic and it is up to us to buy a toy that we know will be more fun.

Today's gospel is all about myopic expectation.

From his prison cell John the Baptist sends word to Jesus. "Are you the one who is to come, or are we to wait for another?" Jesus answers, "Go and tell John what you hear and see. The blind receive their sight, the lame walk, the lepers are cleansed, the deaf hear, the dead are raised, and the poor have good news brought to them." It's interesting that Jesus doesn't send back a "Yes I am," kind of answer. Rather he sends a "Work it out yourself," kind of answer. He asks John to look at the evidence. It seems strange that John, normally so certain and so confident should declare a doubt, but perhaps we can understand his disappointment. John has been arrested and thrown into prison. He is feeling tired and disillusioned. It is likely that he'd had misguided expectations of Jesus. Perhaps he'd expected Jesus to come in the manner of a king or of a great warrior with the power to conquer the oppressor. John has some working out to do. John needs to understand that the work of a Messiah is to teach God's love, not just push a few Romans around.

So what of our own expectations? Do we expect God to sort out all our problems and make our lives easy and comfortable? Or do we believe that God is there to help change us and guide us through our daily choices. Do we understand that God is preparing us for his kingdom or are we guilty of myopic expectation? Perhaps we have some working out of our own to do.
